

vCISO

Gain thought leadership on cybersecurity without extending your team

| SharkStriker's vCISO service

Cybersecurity talent retention is one of the biggest challenges that organizations face today. Companies want a leader with the expertise and knowledge to address all the immediate and long-term information security challenges. However, finding them and retaining them is a challenge that many face.

SharkStriker has introduced a service that solves this challenge by providing you with the much-needed expertise, leadership, and assistance that you would have if you had a full-time CISO.

With this service, you can get the much-needed foresightedness, team, and tools you need for developing risk mitigation and information security strategies. You will get a team that dedicatedly attends to all your cybersecurity needs with a holistic approach.

- ✓ Get seamless access to CISO without hiring one!
- ✓ Deploy industry-based expertise to achieve all of your cybersecurity and compliance goals
- ✓ Periodical mitigation of risk and improvement of posture

| Business Benefits

- 01** Out source the trouble of hiring and keeping a full-time CISO.
- 02** Get on-demand leadership with a dedicated team, solutions, resources, and tools.
- 03** It enables continuous monitoring, identification, and response to threats.
- 04** Periodical posture improvement through cybersecurity best practices.
- 05** 24x7 incident response to protect your business from cyber attack-related disruptions.
- 06** It saves you from investing a fortune or breaking the budget on dedicated CISO
- 07** Deploy industry-based expertise to achieve all of your cybersecurity and compliance goals.

| Values Delivered

1. Governance Risk and Compliance Achievement

- Implementation

| About SharkStriker

SharkStriker is a trailblazing cybersecurity services vendor with a mission to simplify cybersecurity for its partners across industries through its technologically driven human-led open architecture platform STRIEGO. It seeks to cater to some of the industry's most immediate challenges such as siloed cybersecurity, increasing cost of cybersecurity solutions, changing regulatory environment, and increasing reliance on multiple vendors for multiple aspects of cybersecurity and compliance.

With STRIEGO, SharkStriker is able to assist its network of partners and customers through effective augmentation of cybersecurity posture as per use cases, extending visibility, compliance management, and round-the-clock support for incident response.

Through a team of threat-striking experts, they have made their presence across MEA, North America, Europe, and Asia.
